# **Clubhouse CTV Media Kit**

Discover the Future of Club Media

# Introduction

Venture into the evolving world of Clubhouse CTV – the leading pioneers in the club media sphere. We're steering a revolution in the club media landscape, and this comprehensive media kit will act as your compass, guiding you through our innovative vision, cutting-edge products, and how we can assist in bolstering your brand's profile.

# Our Product

Clubhouse CTV stands as a transformative beacon in the club media ecosystem.

Harnessing advanced technology and customizable digital signage, we deliver content tailored to your club, fueling engagement and driving growth.

Navigate through our unique product suite, from our immersive Atmosphere TV PGA Tour experience to our curated, ad-free digital signage solution.

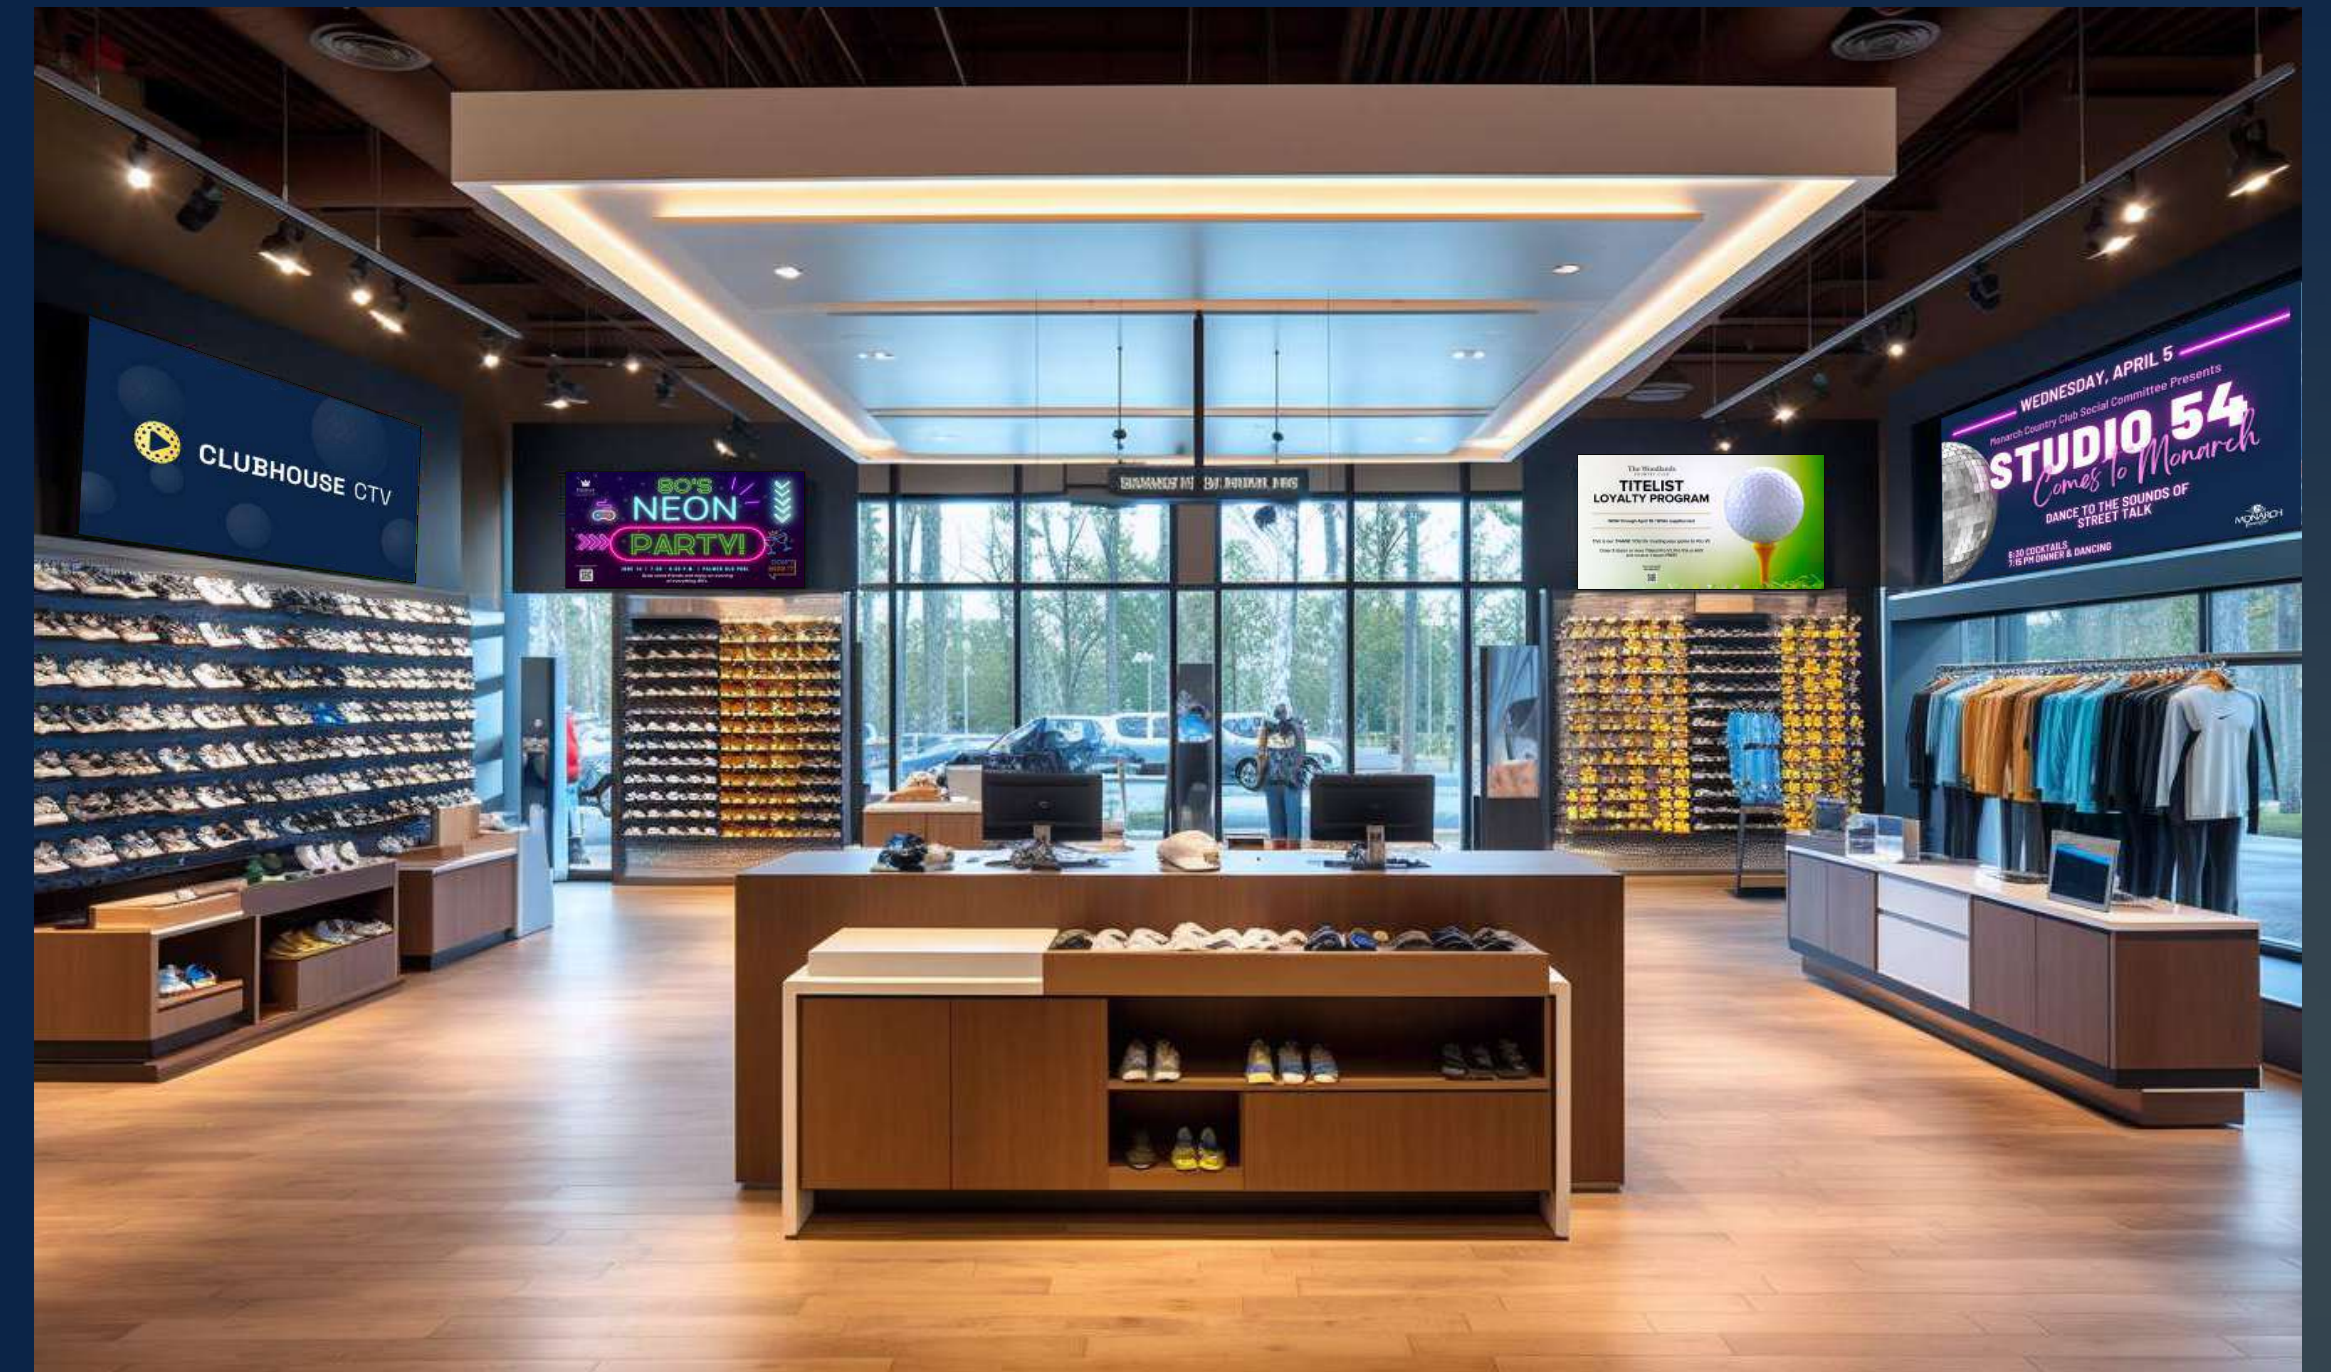

# Ad Spaces: Reinventing Audience Engagement

Uncover our premium ad spaces - your gateway to a more intimate and immersive connection with your target demographic.

Clubhouse CTV integrates your brand's message seamlessly into high-quality, engaging content that club members are truly interested in. This unique approach not only keeps the audience engaged but also ensures that your brand gets noticed.

Experience the true power and potential of place-based digital media advertising with Clubhouse CTV.

# Innovative Software Features

Our cutting-edge software breathes life into your advertising strategy with an array of innovative features.

Simplify your ad management with AdQuick Integration, enhance member engagement with QR Code Integration, and more.

Clubhouse CTV hands you the tools to not just keep pace with, but to lead in today's digital marketing landscape.
